Swivel Adjustable Branch Tee

We manufacture and supply high-quality Swivel Adjustable Branch Tee Fittings suitable for diverse industrial applications, including electrical and air conditioning sectors. These fittings are available in various materials, sizes, and pressure ratings, ensuring durability and performance.

Product Details:

- End Size 1 & 2 (mm): 8
- End Size 3 Metric: G 1/4 A
- I 1 (mm): 14.0
- L 2 (mm): 37.5
- S1 (mm): 19
- S3 (mm): 12
- Pressure Rating (bar) EO CF: 500

Swivel Adjustable Elbow

We manufacture, supply and export Swivel Adjustable elbow Fittings which are very useful in various types of connecting functions in the big industries. Our Swivel Adjustable elbow fittings are of four types to be used in many different works in the varied industries.

Product Details:

- End Size 1 & 2 (mm): Customizable
- End Size Metric: G 1/4 A (other sizes available)
- Pressure Rating (bar): Up to 500
- Material Options: Stainless Steel 304/304L, 316/316S, 310/310S, Carbon Steel, Hastelloy C22/C276, Inconel 600/601/625, Nickel Alloy
